## **WHY DOES CROPEAN TRADE COLLECT THIS INFORMATION**

### **To provide and maintain our services**

We use the information collected to deliver our services and verify user identity.

We use the IP address and unique identifiers stored in your device's cookies to help us authenticate your identity and provide our service. Given our legal obligations and system requirements, we cannot provide you with services without data like identification, contact information and transaction-related information.

### **To protect our users**

We use the information collected to protect our platform, users' accounts and archives.

We use IP addresses and cookie data to protect against automated abuse such as spam, phishing and Distributed Denial of Service (DDoS) attacks.

We analyze trading activities with the goal of detecting suspicious behavior early to prevent potential fraud and loss of funds to bad actors.

### **To comply with legal and regulatory requirements**

Respect for the privacy and security of data you store with Cropean Trade informs our approach to complying with regulations, governmental requests and user-generated inquiries. We will not disclose or provide any personal information to third party sources without review from our legal case team and/or prior consent from the user.

### **To measure site performance**

We actively measure and analyze data to understand how our services are used. This review activity is conducted by our operations team to continually improve our platform's performance and to resolve issues with the user experience.

We continuously monitor our systems' activity information and communications with users to look for and quickly fix problems.

### **To communicate with you**

We use personal information collected, like an email address to interact with users directly when providing customer support on a ticket or to keep you informed on log ins, transactions, and security. Without processing your personal information for confirming each communication, we will not be able to respond to your submitted requests, questions and inquiries. All direct communications are kept confidential and reviewed internally for accuracy.

### **To enforce our Terms of Use and other agreements**

It is very important for us and our customers that we continually review, investigate and prevent any potentially prohibited or illegal activities that violate our Terms of Service. For the benefit of our entire user base, we carefully enforce our agreements with third parties and actively investigate violations of our posted Terms of Use. Cropean Trade reserves the right to terminate the provision of service to any user found engaging in activities that violate our Terms of Use.

#### **HOW DOES CROPEAN TRADE PROTECT USER DATA**

Cropean Trade has implemented a number of security measures to ensure that your information is not lost, abused, or altered. Our data security measures include, but are not limited to: PCI Scanning, Secured Sockets Layered encryption technology, pseudonymization, internal data access restrictions, and strict physical access controls to buildings & files. Please note that it is impossible to guarantee 100% secure transmission of data over the Internet nor method of electronic storage. As such, we request that you understand the responsibility to independently take safety precautions to protect your own personal information.

If you suspect that your personal information has been compromised, especially account and/or password information, please lock your account and contact Cropean Trade customer service immediately.
