a. Orders

Upon placing an instruction to affect a trade using the Services (an “Order”), your Account will be updated to reflect the open Order and your Order will be included in CROPEAN TRADE’s order book for matching with Orders from other Users. If all or a portion of your Order is matched with another User, the Services will execute an exchange (a “Trade”). Upon execution of a Trade, your Account will be updated to reflect that the Order has either been closed due to having been fully executed or updated to reflect any partial fulfillment of the Order. Orders will remain open until fully executed or cancelled in accordance with subsection (b) below. For purposes of effectuating a Trade, you authorize CROPEAN TRADE to take temporary control of the Digital Currency that you are disposing of in the Trade.

b. Cancellations

You may only cancel an order initiated via the Services if such cancellation occurs before your Order has been matched with an Order from another user. Once your Order has been matched with an Order from another user, you may not change, withdraw, or cancel your authorization for CROPEAN TRADE to complete such Order. If any order has been partially matched, you may cancel the unmatched portion of the Order unless and until the unmatched portion has been matched. CROPEAN TRADE reserves the right to refuse any cancellation request associated with an Order after you have submitted such Order. If you have an insufficient amount of Digital Currency in your Account to fulfill an Order, CROPEAN TRADE may cancel the entire Order or may fulfill a partial Order that can be covered by the Digital Currency in your Account (in each case after deducting any fees payable to CROPEAN TRADE in connection with the Trade as described in subsection (c) below).

c. Fees

Any such updated fees will apply prospectively to any trades or other transactions that take place following the effective date of such updated fees. You authorize CROPEAN TRADE to remove any amounts from your Account for any applicable fees owed by you under these Terms.

8. Margin Trading

a. Margin trading risks:

Margin trading is highly risky. As a margin trader, you acknowledge and agree that you shall access and use the margin trading and borrowing service at your own risks:

Trading markets are extremely volatile and shift quickly in terms of liquidity, market depth, and trading dynamics. The use of leverage can work against you as well as for you and can lead to large losses as well as gains.

You are not eligible for receiving forked coins split from any blockchain asset in your margin account, even if you have not engaged in any margin trading or borrowing at all.

The loan carries risks and the value of your blockchain assets may drop. If the value of your assets drops below a certain level, you are responsible for responding to this market circumstance.

Under certain market conditions, you may find it difficult or impossible to liquidate a position. This can occur, for example, there is insufficient liquidity in the market or due to technical issues on CROPEAN TRADE.

Placing contingent orders will not necessarily limit your losses to the intended amounts, since market conditions may make it impossible to execute such orders.

There is no guarantee measure against losses on margin trading. As a borrower, you may sustain a total loss beyond what you have deposited to your margin account.

b. To enter margin trading:

You represent and warrant that you are not either from US, South Korea, Canada, Japan, nor on any trade or economic sanctions lists, such as designated as a "Specially Designated National" by OFAC (Office of Foreign Assets Control of the U.S. Treasury Department).

You should fully understand the risks associated with the margin trading and lending and solely responsible and liable for any and all trading and non-trading activity on your CROPEAN TRADE account. Do not enter into transaction or invest in funds that are above your financial abilities;

You are solely responsible and liable for knowing the true status of any position, even if presented incorrectly by CROPEAN TRADE at any time;

You agree to maintain in your CROPEAN TRADE margin account a sufficient amount of blockchain assets required by CROPEAN TRADE for users to engage in margin trading and return your loan in full timely. Failure to maintain sufficient amount of assets or fail to return outstanding loan duly can result in the forced liquidation of assets in your margin account;

CROPEAN TRADE cannot guarantee to stop losses even with the ability to force-liquidate any of your positions. If, after your positions are liquidated, your assets are insufficient to cover the outstanding loan, you are still responsible for any additional asset shortfall;

CROPEAN TRADE may, in its sole discretion, perform measures to mitigate potential losses to you on your behalf, including, but not limited to, transferring balances from your margin to your exchange account and/or from your exchange to your margin account;

During CROPEAN TRADE system maintenance, you agree that you are solely responsible and liable for managing your margin account under risk, including but not limited to, keep or close your position and repay your loan.

You agree that you conduct all trading, margin trading, and/or borrowing on your own account and claim full responsibility for your activities. CROPEAN TRADE does not take any responsibility for any loss or damage incurred as a result of your use of any services or your failure to understand the risks involved associated with assets use generally or your use of our services.
